SAINTE FLEUR VIOGNIER

GRAPE VARIETY

"Viognier"

YIELD

From 25 to 35 hl/ha

SURFACE

12 ha

COLOUR

White

VINIFICATION

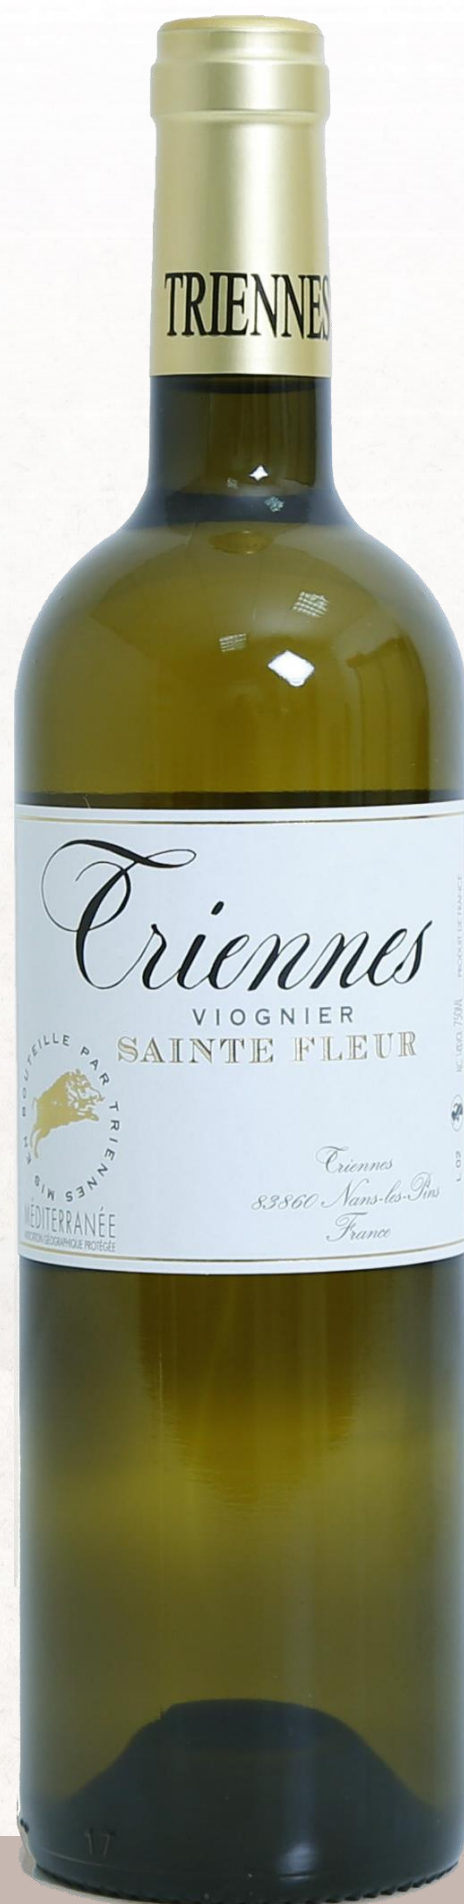

Fermentation in temperature-controlled stainless steel tanks.

ELEVAGE

- 100% in stainless steel tanks to preserve freshness.

TASTING NOTES

- Intense perfume of abricot, honey-suckle, white flowers and honey lavender.
This wine strikes a beautiful balance between aromatic richness, crisp acidity and mineral structure.
- Organic from vintage 2011
